

About the Workshop

This workshop is aimed at **educators** and **education managers** interested in **the future of tourism and hospitality education in Australia**. The purpose of the workshop is to explore global and national drivers that will shape the future of tourism and hospitality education to enable participants to clarify policy, debate strategy and confront the challenges faced at a time of transformation. The workshop will provide an overview of the **international and Australian context** before highlighting developments in across the sector. The second half of the day will be devoted to an interactive visioning session exploring the trends and drivers that will impact on Australian Tourism and Hospitality Education to 2025. The workshop offers a unique opportunity to network with peers, hear the latest thinking and gain insight into the future of tourism and hospitality education in Australia.
