

Permissions Request for Institutional Repositories Policy

Policy Adopted	November 2013
Reviewed	November 2020
Review date	November 2023

Policy statement

This policy sets out CAUTHE's policy for institutions and individuals regarding publication of CAUTHE conference proceedings in open-access digital repositories.

Policy

CAUTHE advises that:

- CAUTHE owns Copyright of all past CAUTHE conference proceedings.
- CAUTHE allows institutions & individuals to provide only the article metadata, including Abstract, in their open-access digital repository.
- CAUTHE requests that, if possible, a link be provided to the published version of the publication(s) in the Informit Business Collection, where all CAUTHE conference proceedings are published, when available (still in publication).
- This request applies to post-print and published versions.
- CAUTHE has no access to pre-print versions and permission for these should be sought from the authors.
