Purpose

This document provides:

- background information about the composition and membership of the Executive Committee
- informal guidelines relating to Executive Committee member meeting attendance, travel expenses and reporting requirements
- roles and responsibilities of Office-bearers and the Secretariat.

Composition and membership of the committee

The Executive committee consists of five elected office-bearers (see Election of office-bearers policy), and a number of non-elected positions co-opted at the Executive Committee's discretion.

The office-bearers of the Executive committee are elected by the Board of Directors (Board). The Board is comprised of the Chapter Directors, who represent the institutional Chapter members of CAUTHE.

Co-opted members are invited by the Executive Committee to take on specific roles as required by the committee.

The Executive Committee advises the Board on matters regarding policy, and develops strategic plans and goals for CAUTHE. The Board delegates the power to control and manage the operational affairs of CAUTHE to the Executive Committee.

Members of the Executive Committee must be current Associate or Student members of CAUTHE.

CAUTHE members who wish to join the Executive Committee should contact the Chair.

Guidelines for Executive committee members

Meetings

Annual General Meeting (AGM) and Mid-year meeting (MYM)

The Constitution requires that the Board/Executive Committee meet at least twice each year. Committee members are encouraged to attend both the Annual General Meeting (AGM) and the Mid-Year Meeting (MYM).

General meetings

Committee members are required to attend the general (teleconference) meetings of the Executive Committee. A member may designate a proxy if they are unable to attend a meeting.

If a member has been absent from three consecutive meetings without prior notice in a given year, then the Chair may request an explanation.

Quorum

Any seven (7) members of the Executive Committee will constitute a quorum for the transaction of the business of a meeting.

Committee travel expenses

Funding is not generally available for the travel, accommodation or other expenses of committee members, to attend meetings or conferences. In special cases, in which institutional support is not forthcoming and when the presence of a member of the committee is essential to conduct the business at hand, the Chair may authorise reimbursement of reasonable expenses, at their discretion. Exceptional cases may warrant Executive Committee review, for possible funding.

Reports

Written

Committee members are required to prepare written committee reports, **as required** by the position, for submission to the Secretariat and distribution prior to the AGM and MYM. Reports should include a description of the activity, summary of achievements and/or outcomes, challenges and recommendations for future activities. Templates are available for specific reports from the Secretariat.

Oral

Committee members are required to provide brief oral reports, as required by the role, at the monthly (Executive Committee) meetings.
