

## CAUTHE 2025 Critical Approaches SIG meeting

Wednesday 12 February 16:00 - 17:30 (AEST)

*A Critical Perspective on the 'Publish or Perish' Culture*  
by Professor Sara Dolnicar, The University of Queensland

Sara Dolnicar is Professor in the UQ Business School and an ARC Australian Laureate Fellow.

As a key aim of the Critical SIG is 'to promote and discuss the role of tourism and hospitality research and education through critical and alternative voices', we invite SIG members to discuss the impact of a 'publish or perish culture', re-looking at the issue in relation to the recent vibrant discussion on TRINET, and the growing momentum to consider and address change.

Hosted by SIG co-chairs Dr Jennie Small, Professor Erica Wilson & Professor Candice Harris
